Nanodegree Data Management Course including: Practical Statistics, Data Analysis, Data Wrangling and Data Visualization. Carried out with a scholarship provided by Bertelsmann Technology.

A LITTLE ABOUT ME

Back to Brazil after 7 years living in the United States, I'm looking for the next step in my career. I worked for 6 years at Google Pittsburgh managing teams in India and Poland through HCL America.

I'm a web developer and worked with Online Education for the Secretary of Education of Governador Valadares and the Universidade Aberta do Brasil, through UFMG.

I have experience in project management and data analysis, working with developers and clients. I also performed team training and technical support work.

Despite my extensive experience in IT, I have a degree in Social Communication with an emphasis in Journalism and a postgraduate degree in Digital Media and IT from IEC PUC-MG.

Google Nanodegree Android - Udacity

Nanodegree Android Development Course. Accomplished with a scholarship provided by Google.

Volunteer Work - Humane Animal Rescue

6 years working at Humane Animal Rescue of Pittsburgh/USA serving the needs of shelter dogs (training, walking, playing and doing enrichment activities). I also managed a team of dog walkers, training and accompanying new members, taking care of documents pertinent to the dogs activities and their needs.

Front In BH - Participation

Participation in two editions (2012/2013) of the Front-End Developers Conference Front In BH, in Belo Horizonte

Panorama of Contemporary Comics in Germany - Translator/Co-Author

Participation in the book Panorama of Contemporary Comics in Germany. ISBN - 978-85-98387-12-3

XXVI Congress on Communication Sciences - Secretariat

Participation in the XXVI Brazilian Congress on Communication Sciences, of the Brazilian Society for Interdisciplinary Studies in Communication (Intercom)

First Certificate in English (FCE) - Cultura Inglesa

Achievement of the Cambridge University English Certificate through Cultura Inglesa BH

Macromedia Softwares Course - Computer Science Dept - UFMG

Web Development/Design (Macromedia softwares: Fireworks, Flash and Dreamweaver)
